Summer Fine Art Discovery Camp

Brought to you by:

TrueNorth
Cultural Arts

A Pirate's Life for Me!**June 16 - 27**

Shiver me timbers! Campers will encounter a swashbuckling good time while learning how to walk, talk, sing, and dance like a pirate. Decorate your own treasure chest, build a pirate ship, create treasure maps, jolly roger flags, and much more. Learn about sailing, the ocean, and the basics of map making.

So ... You Want to join the Circus!**June 30 – July 11**

Step right up! The circus is coming to town. Our room will transform into a circus with trapeze artists, clowns, and circus animals. Watch as talented performers juggle and have circus animals perform amazing tricks. Clowns, circus music, the ring master and more!

Blast Off!**July 14 - 25**

Are you ready for an exciting outer space adventure? Campers become astronauts who explore the moon, learn about the sun, create a moon-scape, and have a blast traveling through our solar system. What is it like to walk on the Moon? Learn about space suits, weightlessness, planets and the stars. Put on your spacesuit, climb into your spacecraft, and join us for a fun filled exploration of outer space.

Digital Discovery Center**June 16 – 27,****June 30 – July 11****July 14 – July 25**

Grades 4-6, FilmMaking using the above themes and dates. As younger siblings and friends are in the camps above, these students will be taking the 2-week theme of each camp and creating their own film, premiering it at the last day in the state-of-the-art Distance Learning Center Theatre at French Creek Nature Center.

Calling all filmmakers! This summer create their very own short film. Get hands-on experience using digital camcorders and Apple's iMovie® editing software. From start to finish, beginning with script creation, storyboarding, and finally post production editing, this summer camp has it all! Learn about animation techniques; add sound effects and record voiceovers for their soundtrack. Put it all together and burn their masterpiece to DVD and post on YouTube.

In addition to creating their own film, students who have the ability to read music notation and play at least one instrument will be given the opportunity to create their own film score! A performance of the final composition, re-created using Finale and Garritan Personal Orchestra, or a performance of jazz improvisation with Band in a Box (A computer generated music ensemble) will accompany selected student films.
